LIBERTARIAN PARTY OF BREVARD COUNTY ENDORSES GABE WOZNIAK FOR FLORIDA SENATE DISTRICT 8

BREVARD COUNTY, FL – The [Libertarian Party of Brevard County \(LP Brevard\)](http://www.lpbrevard.org) officially announces its endorsement of [Gabe Wozniak for Florida Senate, District 8](#). Wozniak offers a principle-above-party alternative to the status quo, focusing on individual liberty, free-market solutions, and removing bureaucratic barriers that hinder the prosperity of North Brevard citizens. At the March meeting of LP Brevard, the board officially endorsed Wozniak's effort for freedom for Floridians and small business owners.

Gabe Wozniak's platform addresses the specific economic and social challenges facing Titusville, Mims, and Port St. John. His campaign prioritizes practical reforms to lower the cost of living and empower local entrepreneurs.

[Key Pillars of the "Florida Main Street Act" Wozniak Platform:](#)

- **Insurance and Housing Reform:** Wozniak proposes ending government-backed bailouts for insurance corporations. He advocates for a competitive market to lower homeowners' property insurance premiums in Brevard County.
- **Free Market Solutions:** Promoting deregulation, reducing government interference in housing and insurance markets, and ending corporate welfare.
- **The [Florida Main Street Act](#):** This initiative targets the "red tape" small businesses face. Wozniak seeks to eliminate burdensome licensing requirements and zoning restrictions that prevent local start-ups from competing with large corporations.
- **Education Freedom:** Wozniak supports universal school choice. He believes education funding must follow the student, allowing parents in North Brevard to choose the best environment for their children.
- **Second Amendment Rights:** Defending constitutional carry and opposing unconstitutional restrictions on law-abiding citizens.

- **Medical Freedom:** Wozniak pledges to protect bodily autonomy by supporting a permanent ban on government-imposed medical mandates and lockdowns.
- **Fiscal Responsibility:** The campaign calls for immediate cuts to wasteful spending and a reduction in the tax burden on Florida families.

"Gabe Wozniak understands that the people of North Brevard are best equipped to run their own lives," said Karl Dickey, Chair of the Libertarian Party of Brevard County. "His commitment to dismantling unnecessary government control will restore power to individuals and small business owners."

Wozniak's background in the hospitality industry gives him a unique understanding of the regulatory hurdles facing the local workforce. He is dedicated to ensuring that the Space Coast's growth benefits residents directly by increasing economic opportunity and reducing government interference.
